

# Welcome!

Welcome to the Equitation Elysee webpage!

Equitation Elysee is a friendly riding facility located in St. Lazare, less than an hour away from downtown Montreal and Ottawa.

Our coaching staff is nationally and internationally certified with over 25 years of experience.

Guest instructors are often invited to present jumping and dressage clinics.

Equitation Elysee's well-trained school horses have taught thousands of riders, young and old, over the years. Our outstanding selection of horses range from quiet beginner mounts to those schooled to higher levels.
